- Tiers of thick, textured glass prisms create maximum sparkle and shine for a dramatic and luxurious Glam statement.
- Tailored for kitchen islands — these multi-light fixtures deliver both utility and modern flair.
- Individually crafted with substantial thickness and weight, each piece enhances its rich, rippled texture. The added depth allows light to refract beautifully, creating a dynamic, luminous effect. These handcrafted details set it apart from machine-made glass, emphasizing artistry and quality.

Dimensions and specifications are approximate and based on the most current information possible at the time of publication. Golden Lighting reserves the right to make design changes and modifications without prior notice. Golden Lighting products are ETL listed. Unless otherwise noted as pending, Wattages stated are the maximum recommended; however, lower wattages may be used. Bulbs are not included unless otherwise noted. Larger fixtures may require reinforced outlet boxes and additional support. Receipt or possession of these materials does not constitute an agreement to sell.
